2023 MUNICIPAL ELECTIONS

November 7, 2023 · Early voting begins September 22

This fall, you'll vote in your city elections using Ranked Choice Voting (RCV). There is no primary; RCV folds two elections into one, so you only have to make one trip to the polls in November.

RANKED CHOICE VOTING
MORE CHOICE. MORE POWER.

HOW YOU VOTE

1 Rank the candidates in order of preference on the ballot — 1st, 2nd, 3rd. The more you rank, the more power your ballot has.

2 Your second and third choices matter! But they will only be counted if your first choice is eliminated.

3 Do not mark the same candidate twice. Do not mark more than one candidate in any column.

HOW YOUR VOTE COUNTS

Voter rankings ensure the candidate with majority support wins.

Round 1

Round 2

No candidate earns a majority of 1st-choice votes, meaning a second round of counting is necessary.

Candidate B has the fewest 1st-choice votes and is eliminated. These ballots instantly transfer to those voters' 2nd choices. Candidate C wins!
