

GENERIC CANDIDATE *for* CITY COUNCIL

RANK GENERIC CANDIDATE

#1

BY NOVEMBER 7!

LET'S DO SOME STUFF

I am a generic candidate running for election in Ward 14. I believe in ice cream, spreading snow out as much as possible to make it melt faster, and renaming city streets and avenues on .13 decimal intervals rather than whole numbers.

I would be honored to receive your first choice vote this fall. And if I'm not your first choice, but if you don't I would also really like it if you ranked me second or third.

Let's do some stuff,
together!

ON THE ISSUES

- I support continuing to use Ranked Choice Voting in our city's elections
- I want to invest in public infrastructure projects like installing giant M&M dispensers in the place of all the water towers
- Elections are very important and we should serve waffles at all polling places on Election Day and every day of early voting
- I believe we should install water heaters in one of our lakes in order to create the world's largest hot tub
- I believe our city should be the capital of Oklahoma

VOTING IN OUR CITY

In our city, we use Ranked Choice Voting to elect our city council members. When you fill out your ballot, you will have the chance to mark your 1st, 2nd, and 3rd choices.

Rank me #1!

Candidate B has the fewest 1st-choice votes and is eliminated. These ballots instantly transfer to those voters' 2nd choices. You win!

Ranking second and third choices doesn't hurt your first choice!
